**Subject:** RE: Procedural Schedule for Docket Nos. 2017-207-E and 2017-305-E

Dear David –

Thank you for allowing the parties in the above-referenced dockets time to review SCE&G's upcoming filing before being required to address your scheduling inquiry.

With regard to the Motion to Compel ("Motion") filed by Friends of the Earth and the Sierra Club, I have been in discussions with counsel concerning this matter, and as a result of those discussions, I have been authorized to inform you that counsel has granted SCE&G an extension of time until January 16, 2018, to file its response to the Motion. In light of the parties' agreement to extend the deadline, SCE&G respectfully requests that it be allowed to file its responsive pleading no later than January 16, 2018.

Thank you for your consideration of this matter. If you have any questions or need additional information, please do not hesitate to contact us.
